

## Covenant Congregational Church

March 28, 2001

To Whom It May Concern:

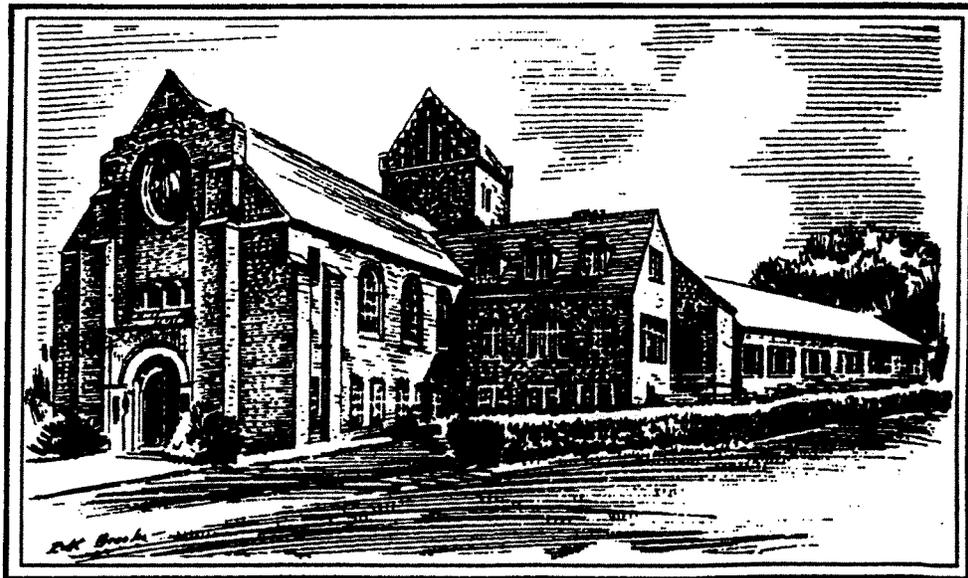

As Pastor of the Covenant Congregational Church, I am writing this letter in appreciation and gratitude to Mike Lynch and their company, Associate Roofing. Our church recently discovered that our sanctuary roof had serious problems and needed to be replaced. After extensive investigation and submitted bids, our Property Committee chose Associate Roofing to do the job. We are extremely pleased with their completed work.

They were so helpful in assisting us in developing the specifications for the project, paying careful attention to the aesthetics of the building. They helped design a gutter that was historically appropriate to this beautiful building. They were always responsive to questions and concerns of the committee, and the project began and ended when promised. All of the workers were neat and courteous and they left the work site tidy.

The bottom line: The roof looks beautiful! Thank you, Associate Roofing!

Gratefully,

  
Judith McCullough, Pastor
