Dear Mike,

I would like to take this opportunity to thank you and your company for the fine job they did on our addition at 45 Finnell Drive and the re-roofing jobs done at our 165 Moore Road Facility. The work was performed in a timely and professional manner and I have had numerous comments about the high quality of the installation and the work effort of all involved.

I appreciated the way both companies worked together so that we did not have any interruptions in production, which was very critical at that time of the year.

I am looking forward to a long-term relationship with your company for all of our roofing needs.

Sincerely,
