Attn: Mr. Paul Lynch

Dear Paul:

Just a short note to thank you for the new roof you recently installed at my home in Hingham. The roof was installed in a timely and professional manner. The landscape and house was protected and the clean up of the area was better than prior to your starting the job.

I have made my sales staff aware of your company and I will keep your card handy and hopefully I will be able to use your services in our commercial business.

Thank you again, I look forward to a continued business relationship.

Very truly yours,

Frank Norton, President
