Dear Mike,

I just wanted to drop you a note letting you know how much I appreciated the professional manner in which you and your crew performed in putting the new roof on my home/office. A project like this can often cause problems for a business. In your case it didn't at all. You and your men worked with my schedule and my needs. The work was performed quickly, neatly, and timely. In a word--PROFESSIONALLY! Not to mention the fact that the roof looks great. The new roof has made a big difference in the appearance of the house. We love it!

Mike, once again, thanks for the diligent effort on your part to make the whole operation go so smoothly. I wouldn't hesitate to recommend your services to anyone. It was a job well done!

Sincerely,

George F. Benoit, Jr., D.M.D.
