Dear Michael,

On behalf of the Buildings and Grounds Committee I wish to express our appreciation for the fine roofing job done on the Parish House. Being a licensed builder myself, I have an eye for high quality professional work and that is certainly what Associate delivered.

We are now in the planning stages of a complete restoration of the main church. Odds are we'll be doing business with you again in the future.

Once again, thank you for a job well done and feel free to use us as a reference anytime.

Sincerely,

Donald O'Keefe

Chairman, Buildings and  
Grounds Committee
