RE: Sherwood Park Apartments

Dear Mike:

I would like to express my thanks for a job well done at Sherwood Park Apartments. You delivered everything you promised, and your experience in projects this size was evident by the fact that you completed all eleven buildings in half the time you were contracted to. Your crew was very polite and professional and most importantly clean and safe.

As you know we have many tenants with children on site and there was not a single complaint or disturbance during the job, which is commendable. Please feel free to use me as a reference on any other project in the future.

Thank you,

Robert J. Lasoff
