To Whom It May Concern:

Associate Roofing Co. of Scituate, MA. has serviced and installed roofs for B C L, Inc. for the past 15 years.

They have installed completely new, rubber roofs on buildings that we own in Abington and in Brockton, MA. and have done repairs on a number of roofs in other locations operated by B C L, Inc. Five years ago, Associate Roofing replaced a shingle roof on my home in Hanover, using a Bird architectural shingle, replacing all gutters and downspouts, and installing 4 Andersen skylights.

I have dealt with Mike Lynch and Paul Lynch, and have found their manner professional and their expertise exceptional in any job we've asked them to handle for us. I would be happy to recommend Associate Roofing for any roofing job in the area.

Yours truly,

Kevin Beggs
President, B C L, Inc.
