Dear Paul;

We would like to thank you for the professional and courteous response to our concerns regarding the ridge vents on our roof. The gentlemen who came out did an excellent job and took great pride in their work. We are very pleased with how things now look.

Your recommendation to have our roof treated to help extend its life makes sense and we would like you to provide an estimate for this work.

We have recommended Associate Roofing in the past and will continue to do so in the future.

Sincerely yours,
