Dear Mike,

Just a short note to thank you and your crew for doing such a great job on our roof recently. It was a difficult job but Wayne and the other workmen did a commendable job. They were professional, polite, and hard working. Please let them know how much we appreciated their attention to details.

As you know, Mike, I was nervous about recommending a roofer to our Condo Association. Thankfully, we couldn't be more satisfied. Everyone agreed the project went very well.

On a personal note, I'd like to thank you for finding and fixing the leaks in my kitchen and bathroom. Since then we've had torrential rains and not a drop! The construction crew who worked on this lower roof project worked during deplorable conditions. Some of the wind gusts were over 50 mph.

Again, thanks for a job well done.

Sincerely,

Ellen Costello
