Re: Roofing Project

Dear Paul,

We wanted to take minute to thank you and Associate roofing for the excellent job you did on our roof at 19 Sherburn Circle Weston Ma on 3/9/06. You know how apprehensive we were about selecting the right roofer, it led us to selecting Associate Roofing and we were very satisfied with our decision.

We thought the project went as schedule, the crew couldn't have been more friendly and polite. They cleaned up effectively which reflects in their workmanship.

You may use us as a reference on future project.

Sincerely,

Norman Magnanti
