Dear Mike;

My wife Patty and I felt compelled to drop you a note about the tremendous job you and your crew did replacing our roof on our house in Brewster, mass.

Mike, as I told you, when we replaced the roof on our house in Scituate we did not have a good experience. They had to redo a section of the roof and they damaged the siding on both dormers on the front of the house.

Your office knew that we had to have the job done before the 26<sup>th</sup> of June and the clean up had to be outstanding because we had families coming in to rent the house with small children.

Well, not only did they finish the job in half a day but the clean up was remarkable and Patty commented that "you wouldn't even know they were there".

Your price was more than reasonable given the quality of the materials you used and the expertise with which your installers went about their business.

Please feel free to use this letter in anyway that will help Associate Roofing, and we would be more than happy to act as referral to anyone that might be thinking of having their roof replaced.

Sincerely,

Charlie & Patty LoBue

P.S. The fact that Patty could avail herself of the dumpster made her day!!

*Outstanding!  
Thanks again.*
