Re: Job No. 210110-000

Associate Roofing
21 Arnold Street
Braintree, MA 02184

Dear Associate Roofing,

Enclosed please find a check in the amount of \$5953.40 in full payment for the roof and gutter work performed on our house. In addition, I want to include my compliments on the work itself: both the roof and gutter teams were prompt, courteous, and hard-working, and the end product looks great. Even our neighbors commented on how quickly the men worked and how well they cleaned up at the end of each day.

After working with numerous contractors over the past couple of years, I can say with no reservations that Associate Roofing is the best. I was as impressed with the small attention to details as with the end product: Paul came with a full set of materials to help with our decision; the estimate was the most detailed estimate that I received; I was able to speak to someone every time I called the company; and I got actual answers instead of delay tactics. All in all, Mark and I are very happy with the experience and will definitely recommend Associate Roofing in the future. Keep up the good work!

Sincerely,

Carolyn A. Wiesenhahn
