Paul,

Just a note to let you know how happy we are with our beautiful new roof and to commend your crew on a job well done. They showed up even on days we didn't expect them to and they were professional and polite and just a really pleasant group of guys. Everyday they worked, they made sure they cleaned the yard so it was never a mess. We have worked with a lot of contractors since buying our home two years ago and it is not always an easy experience, but we felt from the moment we met you that we were in good hands. Not only did you know what you were talking about, you are also just a really funny great guy to deal with! It was an absolute pleasure dealing with your company. You deserve your great reputation!

Feel free to use us as a recommendation anytime!

Thanks again for taking such good care of our home!
