Dear Paul:

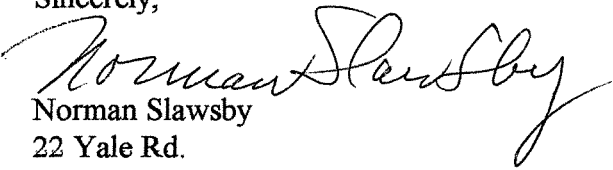

This letter is to express my appreciation to you and your company for a job "well done."

The crew did a professional roofing job and did it well. All the men that worked on my roof were polite, courteous and competent. They knew what to do and they did it with excellent results.

I've always appreciated good workers, but these guys were great. Every aspect of the job was done to my complete satisfaction.

I would be very happy to endorse and recommend Associated Roofing Inc. to potential customers that may have doubts about doing business with your company.

Sincerely,

Norman Slawsby
