Dear Paul,

I am writing to express my complete satisfaction with the recent job performed by Associate Roofing. Your team completed the job on time, with professionalism, at a fair price. Our house is an antique cape close to Cohasset Village, at 130 North Main Street. We wanted a professional job done, and we needed it done by a specific date because we had house guests coming for the holidays and did not want the job to be in progress while they visited. You made a commitment that it would be done and you kept to that date. This was remarkable for a couple of reasons; first your team unfortunately experienced terrible weather, both with several rain days, and extreme cold. The crew kept working through the cold, even after the sun went down. The second challenge that you could not have anticipated is that the roof, once stripped, needed some obvious repairs before it could be shingled. You handled this setback expertly. The end result is beautiful; a cedar shake roof to be proud of!

We did the end of job walk though on Friday and you gave me advice on another project that will need attention in a few years. I will not hesitate to call you again.

I encourage anyone considering a new roof to talk with you and your colleagues at Associate Roofing. They can also drive by 130 North Main Street (corner of Jerusalem Road) to see for themselves. Thanks again for an excellent job well done.

Sincerely,

John Belknap
